

New Mission Planters Conference

May 10-12, 2012
Houston, Texas

Pastors and leaders of mission posts, house churches, mission fellowships, and mission congregations—as well as congregations interested in partnering with mission starts or forming mission branches—are invited to attend this opportunity to learn about and be encouraged in the mission planting process.

Congregational Renewal Conference

November 7-9, 2012
Columbus, OHIO

This gathering of pastors, leaders and members from congregations of all sizes offers general plenary sessions and size-based focus groups. All are called to be inspired, equipped, renewed, and sent forth to be agents of renewal.

The ELMS gathering will follow on November 10, 2012

Both conferences feature respected speakers, theologians, missiologists, and a panel of experienced church planters in addition to practical forums/workshops, mission resources, and individual mission consultations. Come and experience these great conferences. You will be transformed!

(If you are unable to attend, help us sponsor other mission pastors and lay leaders so they may benefit from these important mission events.)
