Dear Pastors,

A blessed Advent to all of you as we await the coming of Christ Jesus. You will notice in this updated vacancy list that there are eight new vacancies, many of them full-time. Many of you serve in full-time calls and there are 46 openings for full-time ministry if the Holy Spirit is nudging you to discern whether your present call is ending. However, you may be getting near to the end of your pastoral full-time ministry and seeking a call that is less than full-time or even part-time, or you may be bi-vocational. ALBERTA, Valhalla Center, Valhalla Ev.: av. att. 40; small, farming hamlet; monthly communion; “worshipping together in Valhalla Centre for over 100 years, our heart is to live together as a spiritual family and to serve the Lord as he reveals himself to us. Our vision is ‘Worshipping, Seeking, Sharing our hope in Christ.’ Recognizing that communities change over time, we want to continue to make a difference for him by living out the Fruits of the Spirit, building up those within our church body and sharing His love with those who do not yet know him. At the heart of this church body, our core values remain the same: God’s Word, Biblical Truth, Relationships, Salvation. We aspire to continually enrich ourselves in: love and forgiveness, spiritual growth, valuing all, outreach and volunteering.”

ARIZONA, Prescott, American Lutheran Church: av. att. 380; Dynamic, biblical and prayer-centered congregation in the Arizona high country is seeking a new senior pastor to help guide it in its mission to gather, grow and go. Candidates must be equally comfortable in both liturgical and contemporary worship settings, adhere to sound biblical doctrine, be well-versed in the Word of God, and reflect the fruit of the Spirit.

God has blessed the congregation with breadth and depth in worship, education, music, mission, and community service. To continue this status, the senior pastor will lead a team which includes a vicar and part-time care pastor, and have primary responsibility for preaching and worship leadership, spiritual development of the church body, vision and strategic planning, teaching, evangelism, congregational relations, pastoral care, and staff leadership.

COLORADO, Burlington, First St. Paul’s: av. att. 85 pre covid, 40 currently. First St. Paul’s Lutheran Church is a rural church on the eastern plains of Colorado just a couple hours east of Denver. We are praying that the Holy Spirit sends us a biblical teaching and loving pastor to join us as a shepherd to guide us in the future, to grow our faith, and grow our congregation. We desire a pastor who is strong with youth and younger families, as well as our older members and willing to be involved in our community.

Our congregation is 97 years old and has always been mission-minded. Our members recently built a beautiful new church building, and we are 100% debt free. Burlington is a safe community that has a hospital, a community college, excellent pre-K thru 12 school system and is the county seat of Kit Carson County. We have employment opportunities especially in the medical and teaching fields. We are new to the NALC as we left the ELCA at a near unanimous vote. Our past Pastor was with us for 17 years. We are waiting and praying for the Holy Spirit to call **YOU to US!!!**

COLORADO, Colorado Springs, St. Luke: av. att. 100; Saint Luke’s Lutheran Church, a vibrant mid-sized congregation with a thriving daycare/preschool ministry, is nestled at the base of Pikes Peak in Colorado Springs, Colorado. Because of what God has done for each of us by sending His Son, Jesus Christ, into our fallen world, we want to respond by serving Him joyfully in many different ways. We are committed to meaningful worship services that are gospel-centered and liturgically relevant. We strive to welcome all by sharing God’s grace not only within our Saint Luke’s family, but also throughout our city, our nation, and the world. We want to be in close relationship with Christ so that God’s love will shine through us to touch all those around us.

As disciples of Jesus Christ, we believe that we are called to glorify God by praying daily, worshiping weekly, reading and studying the Bible, serving at and beyond Saint Luke's, being in relationship with God so that we can encourage spiritual growth in others, and by giving our time, talents, and resources to serve Him. Saint Luke's is committed to making a difference in the darkness of this world with the heart and mind of Jesus.

Our ministry at Saint Luke's is Christ-centered; we seek a pastoral shepherd who will feed and care for us (John 21:15-16) so that we can continue to boldly reach out to others with love and compassion.

FLORIDA, West Palm Beach, First Ev.: av. att. 45; First Lutheran Church is seeking a positive and energetic new pastor to lead our congregation in a unique setting situated in an exceptionally beautiful south Florida community. First Lutheran was established in 1925 and has served the West Palm Beach area for almost 100 years.

Like many older-denominational churches, First has faced its share of challenges mostly due to a changing demographic and past leadership that was resistant to change. However, under new interim leadership, First Lutheran has opened its eyes to many new opportunities and possibilities that the Lord is revealing. Currently, First Lutheran worships jointly with another Lutheran congregation which is in the process of selling their property. In addition, First hosts the Palm Beach County Youth for Christ organization which provides programs and activities for over 60 youth on our campus. We also feel that Christ is leading our congregation to be a "church for churches" and so currently we have six other Christian congregations of varying dominations utilizing and sharing our facility. We are a church with a lot of activity! Additionally, First Lutheran has no debt, significant financial reserves and income from rental property and giving that exceeds our current need.

We believe that the ministry at First Lutheran is a wonderful opportunity for a pastoral leader who sees the mission field as beyond an individual church and who values available resources than can foster and support new and innovative ministry. As we are reminded often at First Lutheran, the seven last words of a dying church are: "We have never done it like that before." But the seven first words of a thriving church are: "Let's try it and see what happens."

GEORGIA, Atlanta, Saint Martin: av. att. 53; Saint Martin Lutheran Church is in Atlanta, Georgia and is seeking a full-time pastor in the largest metropolitan area in the South. Christ the King realizes that this is a unique call for a co-lead pastor but after much study and prayer, we are committed to this path because it is where God is calling us to go. The candidate will need to be someone who enjoys teamwork and collaborative leadership

and is equally comfortable in both classic and modern worship settings. Our congregation is in deep prayer for the person the Holy Spirit is calling to join us in mission and ministry.

ILLINOIS, Altona, Immanuel: av. att. 59; Immanuel Lutheran Church in Altona is ready to be refreshed as disciples of Christ in growth, service, and building on our foundation of faith. ILLINOIS, Cullom, St. John's Ev.: av. att. 40-55; We are located 20 miles from Pontiac and 30 miles from Kankakee. We offer communion weekly, use the LBW and WOV. A few years ago, we noticed a need of the area and so began a food pantry in our facility that serves many families in town and our school district.

We seek a pastor for our congregation who will nourish our spiritual growth and hunger for "The Word". We look forward to hosting the community VBS again so that our new pastor would be able to encourage the youth and nurture their faith in Christ. We reflect the community we live in, a small but growing city, with expanding commerce and industry, a great school system, sports fields, park, a new pool, new housing and the desire to grow. We are near Sioux Falls, a beautiful larger city with even more jobs and amenities.

SOUTH DAKOTA, Menno, Grace and Our Savior's (Parish): av. att. 62/11; Grace Lutheran and Our Savior's are in a farming community. The town of Menno has 650 residents. We are seeking a pastor who will continue to lead us in God's Word as well as reach out to the unchurched in our community. Menno is in a great location. We have two hospitals only 16 miles from us. We have the largest city in South Dakota, Sioux Falls, only an hour's drive, which has two of the very best hospitals in the Midwest (Sanford and Avera). We are 30 miles from Lewis and Clark Recreational Area which has camping, fishing, boating, etc. This is located near Yankton, South Dakota, which also has a hospital. We have an excellent school system with grades pre-k through 12th grade. Our congregations get along well with each other and are both driven to do mission work in our community. Our youth also take a mission trip once a year, sometimes in South Dakota and sometimes out of state. Grace has had only three pastors in the past 45 years, so you can see, we work together! Our Savior's church is on the National Register of Historic Places; it is a unique

place and setting. It is surprising how many people from all walks of life and places will stop in to visit this church. For some the first time they see the church they will stop, for others they may drive by a few times before they realize that they can actually go inside the church. Our hope and prayer is that God will meet them then and there and possibly touch their life in some small way.

We may be small in numbers, but Jesus tells us in Matthew 18:20 'For where 2 or 3 are gathered in my name, there I am with them.' Unfortunately, there are a few people who attend this church, members and non-members that probably wouldn't go to any church if our little church closed its doors, so worshiping here is very important. If we can touch one life, that is one more life for Christ! Our Mission Statement is: We are a people called by God, to make the love of Christ known in this community by: proclaiming the Gospel to those in need, service to our neighbors, and strengthening the bonds of fellowship in the name of Christ.

SOUTH DAKOTA, Scotland, Zion: av. att. 95; Zion Lutheran Church is located in a small farming community in southeastern South Dakota. Our community has businesses that provide all the essentials needed for daily living, and we are also within driving distance of three larger communities that provide employment and shopping. Some of our major businesses are the hospital and medical clinic, nursing home, ethanol plant, preschool-12 school district, and many small businesses. We have a lake in our back yard with great fishing and no wake water sports activities. We have a beautiful state park 30 miles away for water recreation, picnicking, hiking, biking, and camping. Our outdoor sports complex fills four city blocks on the east side of Scotland with a beautiful park, baseball and softball fields, swimming pool, football and track field, and tennis courts.

The church at Zion Lutheran is a beautiful brick building with a cathedral ceiling. As you walk into the sanctuary, your eye is immediately drawn to the altar at the front of the church. Hanging from the cathedral ceiling above the granite altar is a 12' wrought iron cross, with the symbols of grapes and wheat wrapped up into the base of the cross. As you focus on the front of the church, you have the constant reminder that this is Christ's church, the One who died on the cross for our sins and has given us the gift of communion through His body and blood. The railing circling the granite altar is composed of wrought iron shaped into wheat and grapes. Although a building is not necessary to be a Christian body, the sanctuary is a holy, sacred place where we meet God and feel his Holy Spirit move among us. We understand that all His members are part of His body, and we all have a vital purpose in fulfilling God's Word. There are many mission opportunities for all His members to partake in.

We are a newly formed NALC congregation after leaving the ELCA. We have been well supplied with great pulpit fill, but we are really yearning for a pastor that will lead in Christ, bible-centered teaching and leadership, providing growing opportunities to all age groups. We are starting to regain some of our members, but we need a shepherd to lead us with great spiritual leadership to make our congregation whole again and reach out to distant members. This journey was started a year ago, but consistent shepherding would be a huge blessing to continue the rebuilding, healing and growth of our Christian community.

TEXAS, Arlington, All Saints: av. att. 45; All Saints Lutheran Church is in one of the fastest growing communities in the Dallas-Fort Worth metroplex and has been ministering to the local community for 40 years. We've seen our hometown of Arlington grow from 125,000 in 1982 to over 400,000 in 2022. Our mission has been and is to connect all people with God and with each other, our vision is the Great Commission, and our operative mantra is "if we dream it, and if we believe it,

then we can achieve it". Our congregation has a "servant's heart" and embraces the challenges that many congregations face today. We love to partner with local service organizations, neighborhood schools and regional charities to extend a collective "helping hand" to all who are in need. We believe helping others opens the door for the Holy Spirit to come into a person's life and change that life, one life at a time. We are committed to enlarging our "servant's heart" and anxiously await the arrival of a pastor who can and will walk alongside us, teach us, and guide us in Christ's mission for All Saints Lutheran Church.

TEXAS, Boerne, St. John: av. att. 465; associate pastor; St. John Lutheran Church is located in the town of Boerne, nestled in the beautiful Hill Country of South Texas. The city of Boerne offers quaint shops with antique and eclectic shopping in the historic downtown. It is situated 25 miles northwest of San Antonio, the seventh-largest city in the nation. The small-town charm with easy access to big-city amenities and conveniences makes Boerne a wonderful place to live, work and play.

St. John was founded in 1929 and has a proud, traditional, and conservative background. We are a congregation of generous givers, affording us a strong financial position. St. John currently has a staff of 22 people. Our current congregation base is mature, and we are steadily growing and welcoming many younger families into our church family. Our goal for this year is to grow our worship attendance to 450 people in-person each Sunday, with a goal of 700 people in the next 5 years.

As a church that is Christ-Centered and grounded in traditional Lutheran values and beliefs, we offer two traditional worship services each Sunday, along with a praise worship service that features a live band. Communion is offered every week at each service. Sunday school is available every Sunday for all ages, nursery through adult. Many Bible studies and other fellowship activities take place throughout the week. Each Wednesday evening, we have activities for all ages. Our church is also very involved in mission and outreach activities, offering many opportunities for people to serve in the community and the world. We equip our congregation to be servant-leaders of the church's ministries and have many eager volunteers.

TEXAS, Brenham, St. Matthew's of Sandy Hill: av. att. 50; St. Matthew Lutheran Church of Sandy Hill is located in the scenic rolling hills of Washington County, Texas. The church was founded by German immigrants in 1892. They united to begin what we are still a part of today, a traditional Lutheran church whose mission is to proclaim God's grace and make disciples who love and serve our Lord Jesus Christ. We are seeking a pastor who is called by the Holy Spirit to be our shepherd, to love our people, and to equip the saints for discipleship.

TEXAS, Rockdale, Peace: av. att. 32; We are currently a small aging church in a small town, but we have hope! There is a lot going around in the area. Alcoa, a 60-year employer left, and its land has been bought by Sandow Lakes Ranch (SLR) who has great plans for the 34,000 acres. Taylor (30 miles away) is growing because of a large Samsung chip manufacturing facility building there. New housing additions are planned here in anticipation of that. Other items of interest: Rockdale Fair/Rodeo in October and the restored Kay Theater and train depot. Besides Taylor, we are located in the center of two triangles: Bedroom community for Austin/Waco/Bryan College Station (easy commuting) and San Antonio/Houston/Dallas Ft Worth. We want and believe our new pastor will bring new members and youth to the church. We are open to change such as moving to visual technology in church services.

TEXAS, Rockwall, Joy: av. att. 30; We are committed to sharing Jesus and ourselves with our neighbors. Joy Lutheran Church is a small residential congregation located in downtown Rockwall, a growing vibrant city in North Texas, just east of Dallas. Joy serves beyond the Rockwall city limits providing for spiritual needs of families 20 to 25 miles away. We confess Jesus Christ as our Lord and Savior. Joy is a family and committed to being part of the body of Christ. We are a very giving family and respond to the needs of the local, state, and world-wide community. Demographically, we are an older congregation hungry to add to our younger generation. All who believe in Jesus Christ and confess Him as Lord and Savior are welcome.

TEXAS, Three Rivers, Our Savior: av. att. 100; Three Rivers is a small town, located between San Antonio and Corpus Christi, Texas. This part of Texas sits south of the beautiful hill country and north of the Gulf Coast. We are the only Lutheran Church in Live Oak County, with a county population of 12,000 people. We have on average 100 members attending worship weekly. Live Oak County is centered around the agricultural and oil industries, along with many businesses and small-town traditions. Over the years, Our Savior Lutheran Church has varied in size, shape, projects, servants, and shepherds but one thing that never changes is our dedication to God's Word. We are looking for a pastor to cultivate and grow our congregation in God's Word. Come find out more about our wonderful congregation at www.oursaviorluth.com

TEXAS, Westhoff/Lindenau, St. John and St. John (Parish): av. att. 25/15, This two-point parish in a rural ranching setting in south Texas knows how to live a simple life. St. John Lutheran of Westhoff (formed 1908) and St. John Lutheran of Lindenau (formed 1902) are located ten miles apart in a beautiful part of South-Central Texas within an hour's drive to San Antonio, Austin and Victoria. Our two congregations became a dual parish for mutual ministry in 1969. This union has been a unique opportunity to join our lives together and be a unified outreach into our rural agriculture communities. We are a church family new to the NALC (October 31, 2021) and see our role as a newly focused mission church in our area. Joining the NALC has given us a new reason to rely on the Holy Spirit's help to prepare us for discipleship. Our decision to join the NALC was not by our own choice but by the grace of God. The decision was made by both congregations and was based on input from all members, led by our joint councils, inspired by prayer and led by the Holy Spirit. Both votes to join the NALC were unanimous. Average attendance is approximately 40 and the average age at worship is 60 years old. Holy Communion is celebrated the first Sunday of each month. A beautiful new parish hall for the Westhoff congregation was built and completed in 2015 and the Lindenau fellowship facility was also recently remodeled. A beautiful parsonage has been updated and excellent schools, grades 1-8 in Westhoff and 9-12 in Cuero, vocational and community college in Victoria, are available nearby. Our primary ministry focus at this time is to provide ministry to those members of our congregations and the community who are 55 and older. As we grow, we look for spiritual guidance from our new pastor to expand our ministry emphasis and further the Lord's kingdom to many others in our community. We are seeking a pastor who has a solid foundation in biblical preaching and teaching that relates to our everyday lives, has a strong calling to outreach and evangelism, encourages and teaches the Bible, and will provide pastoral care for our members. Our congregations are very friendly and emphasize strong family values.

WISCONSIN, Jefferson, St. Mark: av. att. 80; We search for an inspirational shepherd to lead our congregation, providing ways to nurture and grow our congregation with all generations, with a strong emphasis on youth. Our biggest need at Samuel right now is pulpit ministry. Our members are in need of an uplifting sermon filled with the Good News of the Gospel. When our hearts are filled with the Good News, we are energized to go out into the world and be the disciples our Lord wants us to be. We desire an energetic, engaging Pastor to lead our worship. It is our hope that with renewed leadership, we can entice our non-active members to return to worship. As a strengthened congregation, we can focus on the Great Commission movement of being disciples and making disciples. We are looking for a pastor to serve Samuel Lutheran in a part-time capacity. It is also possible that our future holds partnering with another local NALC congregation. We are dedicated to welcoming a new pastor to lead our congregation in faith, in renewal, and teaching God's Word.

PENNSYLVANIA, Latrobe, St. Paul Ev.: av. att. 47; a rural community located 50 miles from Pittsburgh, PA. A pastoral post at St. Paul's would be fulfilling to a man or woman who has a deep desire to visibly see a congregation grow spiritually and impact others by that growth. St. Paul is thirsting for a biblically based leader to teach, guide, and elevate our knowledge of the Bible to provide us with the confidence to reach others and be His disciples in our community. We have had some very robust Bible studies in the past, yet still hunger for a deeper, richer understanding of the Word. Further, St. Paul has a desire to help serve the community but lacks the strategic planning to impact and identify the greatest needs. We are involved in the community with our own internal food pantry, as well as participating in the county-wide Operation Fresh Express food distribution system, annual New Year's Day free meal, and quilt shows, but we know we have more to offer. While we have been without a full-time pastor, we have been sustained by our love for one another and our love for God's Church. We have learned much about our congregation's abilities during this time God is giving us, abilities that we may not have used had we not been

given this season. Volunteers within our congregation are stepping up to lead worship services and share from their hearts. Discipling! We maintain a united focus to wait for the Lord's decision for our future. A true leader/teacher is what we need, seek, and desire to become part of our church family.

PENNSYLVANIA, West Sunbury, Springdale: av. att. 20; rural, farming, low income; seeking a pastor who can help the congregation grow, is able to embrace country values and traditions, and is "a spiritual leader that is able to work as a team."
