

## Global workers in Henan, China

### Rev. Jeff and Miriam Nellerhoe are serving with China Service Ventures:

*In the summers of 2013 and 2014, Pastor Jeff and Miriam Nellerhoe assisted with China Service Ventures' summer youth camps. Feeling called to return to the area and continue the work on a more regular basis, Jeff and Mim are now preparing to move overseas and begin full-time service. The Nellerhoses were commissioned at China Service Ventures' banquet in May 2014 and recently called in the NALC. They will first travel to Beijing for a period of intensive language training. Once that is complete, they will move south to Henan and work primarily to mentor CSV's Chinese leaders and equip them for lives of service.*

*Jeff graduated with a B.A., summa cum laude, from Texas Lutheran College (Seguin, TX), and a M.Div., with honors, from Luther Seminary (St. Paul, MN). He completed his Ph.D. in Integrated Marketing Communication at the University of Utah (Salt Lake City, UT). His recreational pursuits include motorcycles, horses, skiing, archery, golf, and biking. Aside from sports, he loves to play guitar and sing, watch movies, and read good fiction novels.*

*Mim graduated with a B.A., summa cum laude, from Texas Lutheran College, and a M.A. in Education from Augustana Lutheran College (Sioux Falls, SD). Most recently she coached and taught at Another Way School in Park City, Utah. Mim loves all sports and animals. She grew up in Salt Lake City.*
