

Global worker in Shanxi, China

Judy Perry is serving with World Mission Prayer League:

A public health nurse in Shanxi, China since 1992—first with the ELCA and then, since 2011 with World Mission Prayer League—Judy Perry works in the northeastern part of China through Evergreen Family Friendship Service, whose purpose is to “facilitate holistic and sustainable transformation in the communities we serve in broad and eternal ways, and to be part of China’s economic and spiritual development by shining the light of Christ through the utilization of our professional skills.” Judy works and lives in Yuci, Shanxi, China on a diabetes prevention project and is currently beginning a Family Support Center for elder care and family counseling.

Judy’s financial need for 2014 is \$30,000 for her salary, benefits, work funds, travel expenses for home leave and continuing education; her WMPL support team pays part of her salary. She has no budget or financial statement, being limited in expenditures by the amount of support she receives.
